Director U. S. Mint,

Dear Sir,

Will you inform me on enclosed postal if there is any way in which I can obtain two sets of Silver Half dollars and quarters from the years 1853 to 1891.

Coins of those denominations for those years do not circulate here, as I have watched for several years all that came in my possession and they are invariably below the year 1879.

You will do me a favor by giving me the information

Very Resp^{ly}, &c
